

Approved by the Board of Directors - July 26th, 2016

Mission Statement

As a student led-organization, our mission is to effectively represent and to act in the best interest of all Nipissing University students. We strive to promote academic excellence and social growth through various programming and advocacy in an environment of acceptance, inclusivity, and transparency.

Vision Statement

Our vision is to actively develop and grow all aspects of our programs, advocacy, and student involvement. We are committed to providing a positive student experience through our core values and representation.
