# **DRUG/EHC/ACCIDENT/DENTAL CLAIMS**

All practitioners must be licensed, certified or registered, is neither an Insured, or a member of the immediate family and does not ordinarily reside in the Insured's residence.

Please note that general prescription drug and extended health care claims for the 2018-2019 policy year must be RECEIVED by ClaimSecure no later than November 30, 2019 to be eligible for reimbursement.

## **How do I make a drug/dental/ehc claim?**

Your student identification card may be used at any participation provider (pharmacist) across Canada and payment of eligible claims will be honored. To fill a prescription drug claim you will need to supply the pharmacist with the following information:

- **Your Group Number is 514926**
- **Provider: ClaimSecure (formerly RxPlus)**
- **Your Student ID # V00 \_\_\_\_\_ (10 digit alpha numeric number)**

**I.E. If your student ID # is 7 digits, the correct ID # would be V007654321**

**At this point you will be required to pay the deductible amount of your claim if necessary**

For extended health care claims please pick up a major medical expense claim form from your NUSU office and mail your claim along with all original receipts and referrals directly to ClaimSecure for reimbursement.

### **My student card was not accepted at the pharmacy. Why? What do I do?**

There are a few different reasons for having complications at your pharmacy or dental office. Below are some scenarios:

- a) At the beginning of each semester, a listing of all registered and eligible students to date is provided. These records are used to put your personal information on-line so you can make a pay-direct claim at your pharmacy or dental office. There is a time when you will not be able to use your student card to purchase claims on-line due to the transfer of information to the on-line system. If you are affected by this delay, please use the manual reimbursement system as noted below.
- b) Your pharmacist or dentist may not be familiar with the procedure for processing a claim through ClaimSecure. A toll-free number has been provided to all pharmacies and dental offices so they are able to assist you on the spot.
- c) If you experience complications at the pharmacy that are not related to the above descriptions, please call WeSpeakStudent for help at 1-800-315-1108.

### **I have been unable to locate a ClaimSecure participating pharmacy. What do I do?**

It will be necessary for you to pay cash for the claim, keeping official receipts(s), which will identify the total amount(s) paid. Please use the manual reimbursement system as noted below.

### **How do I use the manual reimbursement system?**

Prescription drug and extended health care claim forms are available at the NUSU office or on-line at [www.wespeakstudent.com](http://www.wespeakstudent.com). Complete all sections of the form that apply to your claim and once you sign it you can send it along with your receipts directly to ClaimSecure at PO Box 6500 Station A, Sudbury, ON, P3A 5N5. It will take approximately 3-4 weeks, depending on mail service, to receive your reimbursement.

### **How do I make an accident claim?**

- a) All accident claims should be submitted on an Industrial Alliance Insurance and Financial Services Inc. Post-Secondary Student Accident Claim form, available from the NUSU office. Claim form must be signed by an authorized authority at the NUSU office.
- b) Students must have received treatment from a qualified physician/dentist within 30 days from the date of the accident.
- c) Completed claim form must be filed directly to Industrial Alliance Insurance and Financial Services Inc. within 90 days from the date of the accident, and no later than 1 year.
- d) It is the Insured's responsibility for securing the claim form and for charges incurred for its completion.

**Am I covered worldwide?**

If you are out of the province or country and you have an accident that requires immediate, necessary medical treatment or you need to obtain a prescription from a qualified physician, you will be required to pay the amount owing at that time yourself and keep all receipts. When you return to the province, you are then required to fill out a manual reimbursement claim form and send it to ClaimSecure (prescription drug) or Industrial Alliance Insurance and Financial Services Inc. (Accident claim) with the receipts to receive your money back.

**Please note that you will be reimbursed according to the benefits set up under your health insurance plan no matter where the accident has occurred or where you obtained the prescription. There is no provision for worldwide coverage for the Dental of EHC benefits as this plan only allows Canadian practitioners.**
