

Curtis Tilbury  
Director-At-Large Nomination Platform  
2020-2021 Academic Year

Hello everyone! My name is Curtis Tilbury and I am running for a Director-At-Large position with the Nipissing University Student Union. I am a transfer student from Canadore College, entering my third year of the Business Commerce program. I feel that I can bring a unique perspective to the Board, as I am both a mature and transfer student. I have experience working on academic panels, as I have held a position on the Student Transfer Experience Panel. I will use my past experience to inform my actions and decisions.

I am running for this position to ensure all students have their interests represented, and that they have access to everything that will help them reach their full potential. I will strive to make sure there is accountability and that decisions are made that best serve students. I will make sure I am available to students, so their needs are heard. Though I am a newer student to Nipissing University, I can confidently say I can work to ensure we build a supportive community together.
