### **What role are you running for?**

I am interested in running for the 3 Year Representative role as I am a passionate nursing student who wants to see my fellow classmates succeed. I have thoroughly enjoyed participating in NUNS events over the past two years, and I am ready to take on this leadership role. NUNS connects nursing students both academically and socially. I want to be an advocate and a voice for the 3rd year nursing students while contributing to this society's positive and inclusive culture through student-led activities and fundraisers. As a friendly and energetic person, I would be honoured to take on this challenge and be a part of this team. I have four years of experience as a student council representative in various roles (including high school Student Council President). I understand the importance of communication and organization while engaging with students, staff, and faculty. I am looking forward to this opportunity.
