What role are you running for?

Over the past 2 years, I have sat on NUNS, first as a year rep, and then as an executive member. It has been an honour to learn about the role of the president by watching those who have had the role prior to me. seeing as i am entering my third year, i feel as though it is the optimal time for me to run for president! I love NUNS and what it brings to our nursing community, and it would be an honour to lead the group as president in 2022/2023.

If you've been a member of this group previously, what is your favourite part?

I love the sense of community that NUNS brings to the nursing programs here! Being able to take people's concerns and actually do something to make them better is really rewarding.
