Running For	4th Year Representative
Pronouns	she/her

Year of Program	3rd year

### **What role are you running for?**

I would be humbled in applying for the fourth year representative for my last year at Nipissing. I have had the pleasure of being a part of NUNS for the last three years of my education in Nursing. I have had the experience of being a First-year rep and a Second-year rep as well as the President of NUNS in my third year of Nursing. I believe that I can continue to both support and represent our cohort of Nursing students. I have the experience of being a President which gives me background knowledge on how to effectively support the needs of students. I would be honoured to finish my last year of nursing at Nipissing as being a Fourth-year rep for you all.

### **If you've been a member of this group previously, what is your favourite part?**

My favourite part of being on NUNS as both a student representative and president has been the ability to bring students' concerns forward and be able to see change. It has been a highlight of my nursing schooling to be a part of the society and I have met wonderful people along the way. I have thoroughly enjoyed organizing and running student events and look forward to helping create more possibilities for students in the future.
