Program	BScN
Year of Program	3rd year

**What role are you running for?**

I have been learning to take over the program with Josie this year, so I know what needs to be done. My belief system also strongly aligns with the use of peer support in nursing, since that is what nurses majorly rely on for support in practice!

**What would you like to achieve in this role?**

Successfully coordinate the program and encourage as much participation from all years as possible Engage both blended program and BScN.

**If you've been a member of this group previously, what is your favourite part?**

Meeting new people and engaging in a leadership role! I also love all of the NUNS events!
