**What role are you running for?**

I've thoroughly enjoyed connecting with my peers in my previous role as a second-year representative, and this year as vice-president of our nursing society. I would love to continue to contribute to the social and academic growth of all those in the program during my final year of school! I have made such lovely friends and met so many people through these positions, it would be an honour to continue my time on NUNS!

**If you've been a member of this group previously, what is your favourite part?**

Connecting with members of all years and programs!
