Name	Leah Chirico
Running For	3rd Year Representative
Pronouns	she/her
Program	BScN
Year of Program	2nd year

### **What role are you running for?**

I am interested in running for the position of third-year representative for the 2022/2023 school year as I understand the importance of having a voice as a student in the BScN program. I enjoy being a part of the Nipissing nursing community and hope to continue to represent all third-year students while providing opportunities to participate in both fun and informative events throughout the school year!

### **If you've been a member of this group previously, what is your favourite part?**

My favourite part of being a NUNS member this past year has been the sense of community within the group. I have met some incredible people through the nursing society in both the BScN and bridging program and hope to work with many more amazing students in the coming year.
