

Nipissing University Nursing Society (NUNS) Election (2022)

Name	Vanessa Cimino
Running For	2nd Year Representative
Pronouns	she/her
Program	BScN
Year of Program	1st year

What role are you running for?

I am interested in this position as I want to continue to give my peers the opportunity to ask questions or bring forward any comments that they may have. Being an advocate is an important role and I am hoping that I can fulfill it again. Further, I believe that giving back to the community is a great task that someone can complete. By running for this role in NUNS I will be able to participate in great fundraisers that support amazing causes. Not only will I be able to participate in these amazing fundraisers, but I will also be able to provide others in the community with the chance to engage in promotional events. Additionally, the NUNS shares amazing opportunities that are available to students such as learning events, job opportunities, and professional networking. It is my hope that I can share these opportunities with my peers who may not know they exist.

What would you like to achieve in this role?

There is one main goal that I strive to achieve in this role. I hope that I can be an effective member of the NUNS group by advocating for my peers when needed and knowing that they are heard. I also want to show my support towards my fellow students and community members by participating in various fundraisers and events. Moreover, I would like to make an impact by not only being part of fundraisers but by working with others to create promotional events. In short, I wish to be a member who in any way possible helps the group move forward in achieving its goals.

If you've been a member of this group previously, what is your favourite part?

This is a difficult question as there were many aspects of the NUNS that I enjoyed. The main quality that comes to mind is being able to collaborate with an amazing group of people to work together on various events, ideas, fundraisers, etc. It was an amazing experience this year and I hope to have the opportunity to do it again.
