

# 33 Service Battalion

Fort Chippewa Barracks  
540 Chippewa St. W.  
North Bay, ON

33 Service Battalion is a Combat Service and Support unit in the Canadian Army Reserve, as part of the 33 Canadian Brigade Group and has 3 locations in Ottawa, North Bay and Sault Ste. Marie. Members of the Army Reserve are citizens who are paid to take military training on a part-time basis to assist the Regular Force in meeting Canada's military commitments.

In addition to their part-time work members of the Army Reserve can take full-time courses during the summer months, or can apply for full-time positions once they have received sufficient training. Members can also apply for certain postings with Regular Force Units.

The Canadian Army Reserve has many opportunities in a variety of trades. Training is offered on a part-time basis with training on evenings and weekends to work with people who are students and full time employees.

## Application Process:

1. Submit Application Form to Recruiter;
2. Receive entire application package via email;
3. Canadian Forces Aptitude Test (CFAT);

9. Enrolment.

## Eligibility Requirements

- Be a Canadian Citizen;
- 18 years old, or 16 with Parental Consent;
- 15 high school credits; and,
- No outstanding legal obligations.

## Trades Description

**Mobile Support Equipment Operator** (MSE Op) operates military vehicles ranging in size from standard automobiles to snow removal equipment and all-terrain vehicles in support of the mobility of the Canadian Armed Forces. Qualifications received are transferable to your civilian license.

**Weapons Technician** works as a member of a maintenance organization located in base or field locations and is employed in the repair and maintenance of all army weapons.

**Vehicle Technician** belongs to the Electrical and Mechanical Engineering Branch of the Canadian Forces. Each Vehicle Technician is a member of a team responsible for maintaining, repairing and overhauling CAF land vehicles and related equipment to keep them in top condition.

**Cook** in the Reserve prepares a variety of nutritious food for military personnel, and on occasion, civilians. The meals they make vary from meals prepared in a trailer in the field, to formal multi-course dinners for military and civilian dignitaries.

**Human Resource Administrators** provide administrative and general human resources support to all military activities.

**Financial Services Administrators** provide financial assistance and budget resources support to all military activities.

**Supply Technicians** are responsible for ensuring that all of the supplies and services necessary for Canadian Armed Forces operations are available when and where they are required. They handle a variety of items such as food, fuel, heavy machinery, spare parts, stationery and clothing. Their tasks involve purchasing, warehousing, shipping, receiving, stock control and disposal of obsolete stock and equipment.
