

Chantelle Bott

Convocation Ceremony:

Friday, June 8th
2pm

Program:

Education

Activities Participated In During Time At Nipissing:

I am in the Education Program here at Nipissing University and did my undergrad in Physical and Health Education here as well. Through out my years I have participated in many intramural sporting activities and won 3 baseball intramural tournaments. I have been a Frosh Leader and was Vice president of the NUPHE council. I have volunteered at NSO days and gladly showed students around Nipissing University. I also organized an Olympic day camp at Nipissing for elementary students and lead groups in Olympic activities.

Why Should You Be Valedictorian?

"I feel that I am a great representation of what a Nipissing University Student looks like. I have gladly called Nipissing home for the past 6 years and am proud to be a student here. I have a wide variety of interests and take part in many different social and sporting events. Even though I maintain a high average in all of my classes I believe that's not the only thing that counts. I am friends with many different groups and with people in different years and programs. I have been involved in many school activities on and off campus and always spread Laker spirit. I am friendly and welcoming throughout the school and I have all the aspects of the student life, as mentioned above. I'm a loyal friend who provides emotional and academic support when I can. I have shown I am dedicated to this program by attending professional learning sessions as well as attending meetings so that the students' voices were heard. I am a very inclusive individual and believe that my positive attitude and unique sense of humour will make me a perfect candidate for this position. I have always been a leader and will continue to lead and motivate others in the future as a teacher and a coach."
