

CHERISEE DACOSTA

For NUSU Director-at-Large

Hello everyone,

My name is Cherisee DaCosta, and I am running for a Director-at-Large position in this NUSU election.

Directors-at-Large don't specifically represent one group of students at Nipissing, but rather hear all the voices of the students and try to make a change in a way that benefits the students and takes their concerns into account. This is my fourth year at Nipissing, so I have heard much of what the students would like done at the school. I have studied through both of the strikes that have happened here on campus, and have heard some changes that the students would like to see in the school. I care a lot about the well-being of the student body and I am hoping through my campaign and getting to speak to more students I can make more of a difference in the school, in a way that makes everyone's experience at Nipissing University a positive and memorable one.
