

Nipissing University Students,

My name is Kirsten Cartwright and I am running for a Director at Large position for this coming 2019-2020 term. I am currently a second year criminal justice student completing a minor in business. After almost completing two years here, I can happily say I enjoy the city and school atmosphere.

During the first two years of my degree, I have been involved within the school community. Previously, I have volunteered at the Nipissing University Open House and as an Event Leader during Frosh 2018. Both of these experiences have allowed me to gain knowledge of both the school and the North Bay community.

I hope to represent the student body by bringing forward any concerns they may have throughout the term. If you have any questions about my campaign, please do not hesitate to contact me.

I hope to represent you this upcoming 2019-2020 school year as a Director at Large.
