

Dear Nipissing University students,

My name is Natalie Muylaert and I am running for the Director-At-Large position for the upcoming year. I am currently completing my second year of an Honours degree in Psychology with a minor in Business. My responsibility, dedication, and organizational skills make me a great candidate for the Director-At-Large position.

In the past 2 years of completing my degree at Nipissing I have made it my goal to become involved within the university, as well as the North Bay community. I value teamwork, communication, honesty and open-mindedness. As a Director, I aim to work with the Executives and Board of Directors to represent the student body.

I have always had a personal interest in assisting and providing help to others. Among other experiences, I have had the opportunity to volunteer at the Nipissing University Fall Open House, with the Canadian Mental Health Association, and with some of Nipissing's Bell Let's Talk initiatives. These opportunities have helped me work towards my goal, and have strengthened my passion for student advocacy.

If you have any questions regarding my platform or campaign, please do not hesitate to contact me.

I hope to represent you as a Director-At-Large in the 2019-2020 term.

Sincerely,

Natalie Muylaert
