

Xander Winter

Director at Large

Xander Winter
Nipissing University

March 11, 2019

Nipissing Student Body

Dear Students,

My name is Xander Winter and I am running for the position of Director-at-Large with the Nipissing University Student Union. I am currently Vice President of Communications with NUSU and think that this combined with my other experience makes me a qualified candidate for this position.

The Board of Directors is the highest level decision-making body at NUSU. There are a total of fourteen Directors (4 Executives and 10 Directors-at-Large). All of these individuals have a number of duties and responsibilities, and Directors-at-Large do not specifically represent any one constituency, but have been elected to represent all students equally.

Through my role of VP Communications I have been able to work with many different student groups as well as departments around the school. I have been able to work with the Equity Centre, the Sexual Violence Prevention and Education Coordinator, Lakers Orientation, Residence Life, Student Counselling Services, Athletics, and many more. This has allowed me to build relationships around the school and make connections that I will be able to use as a foundation as a Director-at-Large.

Next, I have real experience running programming with NUSU, through campaigns, speaker series, and events. This will allow me to give thoughtful input to next year's executive team to help them build upon what our team was able to do, and help them move forward smoothing out future endeavors.

The main things that I want to accomplish as a Director-at-Large include: make sure that the student voice is heard in the changing government legislation surrounding universities, bring events to campus that students want to attend, make sure that spending is being done responsibly, and support the executive team to build the reputation and status of NUSU moving into the future, especially with the coming addition of the Student Centre.

I believe that I am qualified for this position, and I ask that you allow me to represent you by voting Xander Winter in this year's election, March 18th-20th.

Thank you,

Xander Winter
